6 Please advise if your dog/cat is on any medication.

7 Please list the items, if any, that you would like to leave with your dog/cat (toys, bedding, lead, etc.):

8 Your dog/cat will be fed on **BEWI/DOGLAND** dry food twice a day with fresh milk when available. However, if your dog/cat has any special dietary requirements please specify below and we will do our best to meet these needs. **Depending on the requests there may be an added charge.**

FOR DOGS ONLY:

9 Yoani Yapper-ville is on a farm with other livestock and therefore there is a low incidence of ticks. **We STRONGLY advise that ALL DOGS (and cats to a lesser extent) are WELL covered with a tick/flea preventative BEFORE they come.** Many products are not very effective anymore (Advantix/Frontline), so would suggest either **BRAVECTA** or **NEXGUARD**. **All dogs are washed and groomed before they return home. The RETURN HOME BATH is a medicated wash specific to ticks/fleas and is charged at KSH 300 - KSH 500 depending on size of dog.**

10 Has your dog ever bitten/attacked another **PERSON / DOG?**

11 If you are booking in more than one dog, can they share a kennel? **YES / NO**
